## SBS® 40

Medicated Skin Cream for Normal Skin

### PRODUCT DESCRIPTION

After-work, lightly fragranced, non-greasy medicated conditioning cream helps to soothe dry, chapped hands.

### WHERE TO USE

For use in industrial and healthcare work areas, offices and public washrooms.

### HOW TO USE

- Apply to clean and dry skin
- Use before any lengthy breaks and after finishing work

The use of suitable skin protection creams and restorative creams as part of a comprehensive skin care program is crucial to preventing occupational skin diseases

**FORMAT: CREAM**

FEATURES	BENEFITS
Non-greasy formula	• Workers won't lose their grip on tools, equipment, etc.
Compatible with latex and nitrile gloves	• Can be used when wearing gloves to help keep the skin in good condition
The product contains 47% renewable or biobased content; USDA BioPreferred certified	• Product ingredients have been carefully selected to help reduce the use of fossil fuels, reduce emissions and improve environmental sustainability
Silicone-free	• The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings
