1 Gather equipment.

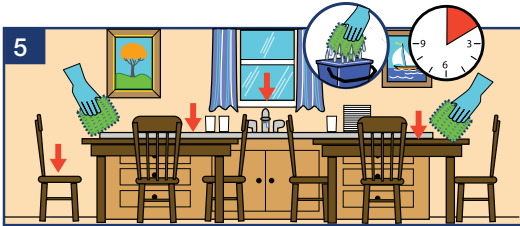

2 Place wet floor signs at all entranceways.

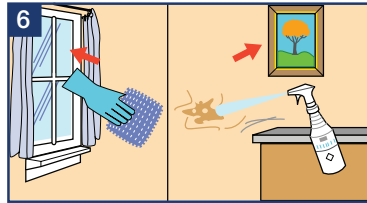

3 Wear personal protective equipment.

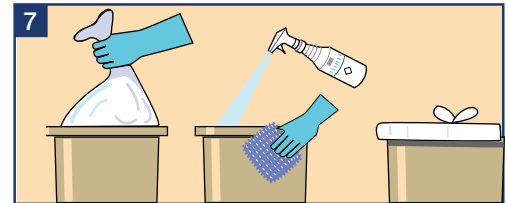

4 High dust all horizontal surfaces from high to low.

5 Wipe down tabletops, chairs, sink and horizontal surfaces with disinfectant and green cloth.

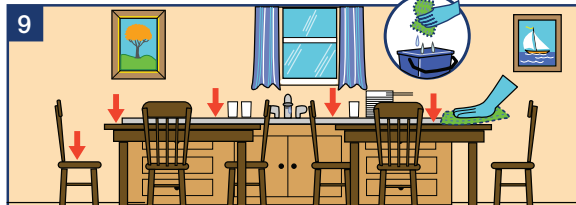

6 Spot clean vertical surfaces with glass cleaner. For stubborn stains use hydrogen peroxide cleaner and green scrubbing pad.

7 Empty trash cans. Remove liner. Disinfect trash can, replace and tie liners. Return trash can to original place.

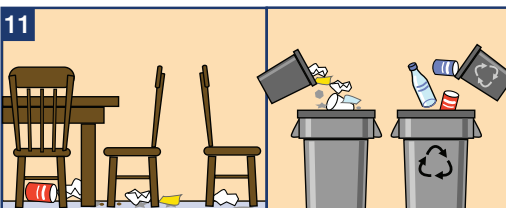

8 Refill supplies.

9 Disinfect tabletops, chairs, countertops, sink and horizontal surfaces using a damp green cloth. Rinse with plain water if needed.

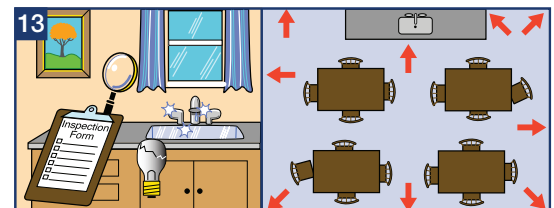

10 Spray stainless steel cleaner onto a CLEAN yellow cloth. Wipe sink clean.

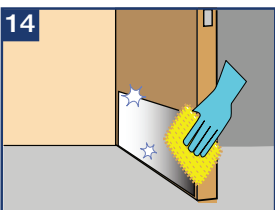

11 Pick up any heavy litter from floor. Put in trash receptacle.

12 Damp mop floor using green mop and neutral floor cleaner.

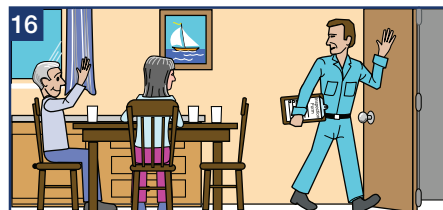

13 Inspect your work and report repairs as needed.

14 Spot check kick plates. Clean with stainless steel cleaner and a CLEAN yellow cloth.

15 Remove gloves and dispose of them properly. Return later for wet floor signs.

16 Say goodbye to residents and wish them a good day.
