FASTER KNOCKDOWN:

Wasp & Hornet Killer provides quicker, faster knockdown and kill of wasps, hornets, and yellow jackets.

RESIDUAL CHARACTERISTIC:

Wasp & Hornet Killer's residual properties kill insects returning to the treated nest

20-FOOT SPRAY PATTERN:

Wasp & Hornet Killer provides a spray pattern of more than 20 feet.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Control of Nests of Wasps, Yellow Jackets, and Hornets: The best time to spray the nest is in the early morning or early evening, when air temperature is cooler and most insects are in the nest and little activity is observed around the nest opening. Spray only if the air is still. Stand at a safe distance from the nest, not directly under it. Hold container upright at arms length, point the actuator at the nest and spray in the opening of the nest first. Then spray the rest of the nest until it is saturated. Treated insects may fall out of the nest and die. Any insects returning to the nest after treatment will be killed. Wait 48 hours before removing the nest. Foliage of desirable plants that were contacted with spray should be hosed off.

This product may stain or adversely affect vinyl, painted, and plastic surfaces. Avoid application to asphalt roofing shingles as staining may occur. Before using in areas where spray may contact these surfaces, test in an inconspicuous area and recheck in a few hours.

USES:

This product can be used both indoors (attics and other places where nests are built and where food or feed are not exposed) and outdoors on Wasp, Hornet, and Yellow Jacket nests.

- Kills Wasps, Yellow Jackets, and Hornets on contact
- Gives rapid knockdown and kill of Wasps, Yellow Jackets, and Hornets
- Gives rapid contact kill and residual kill of insects returning to the treated nest
- Reaches nests more than 20 feet above ground
- Dielectric Breakdown Voltage: 41.0 kV by ASTM Test Method D-877-87

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
