

Join the Fight Against Infections

80% of all infections are transmitted by hands. Deb hand sanitizers are ideal for use without water to kill germs and provide a higher level of hand hygiene. The foam technology used for our sanitizers also allows for cost savings with every hand wash when compared to gel sanitizers.

Deb InstantFOAM[®]

- Kills 99.999% of common germs in 15 seconds
- Perfume-free and dye-free
- 4 times easier to spread than gel sanitizers
- Improves germ-killing by 10 times (1log) compared to equivalent alcohol gels.
- Non-tainting, HACCP assessed and NSF E3 rated
- Clinically proven skin friendly formula with moisturizers to help prevent dryness
