PERFORMANCE  
AT WORK™

# Dixie Ultra® SmartStock® Wrapped Cutlery Dispensing System helps reduce cost, increase food safety and increase efficiency.

## LESS WASTE = LESS COST

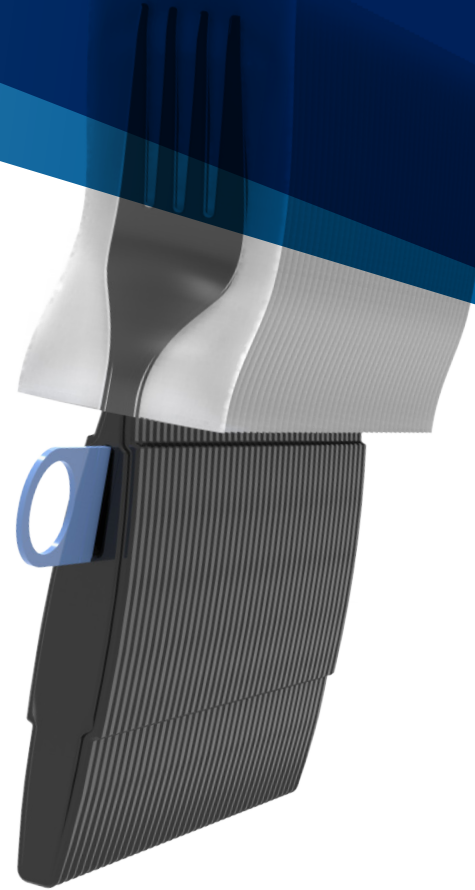

-  One-at-a-time dispensing can help reduce total usage
-  Fits in tight spaces, reducing storage needs by approximately 40%<sup>1</sup>
-  Partially wrapped cutlery uses 60% less wrap than fully wrapped cutlery, resulting in less waste

## HYGIENIC FEATURES = INCREASED FOOD SAFETY

-  Cutlery is wrapped at critical end, helping to reduce cross contamination
-  Patrons agree one-at-a-time dispensing is significantly cleaner than wrapped cutlery bins<sup>2</sup>
-  88% of fast food patrons prefer Dixie Ultra® SmartStock® over open bins of wrapped cutlery<sup>2</sup>

## EFFORTLESS DESIGN = INCREASED OPERATOR SPEED & EFFICIENCY

-  Red, Yellow, Green Indicators quickly show which refills are needed
-  Modular design is customizable to meet individual restaurant needs
-  Preloaded cutlery skewers help reduce loading time
