Disinfecting wipes kill COVID-19 virus on hard, non-porous surfaces such as door knobs, handrails, and tables. Fresh Start wipes will kill most viruses and bacteria on hard, non-porous surfaces including human coronavirus, MRSA, HIV-1, flu viruses, Norovirus, E.coli and more. EPA registered formula.

Alcohol, solvent and bleach free. Each pre-moistened wipe consistently delivers the proper amount of solution without the hassle of mixing, measuring and testing. Excellent for use in hospitals, healthcare settings, schools, daycare settings and shopping areas.
