

LIME LIFT

Shower, Sink & Tub Cleaner

Dual acid cleaner easily removes soap residue, lime scale, and other hard water deposits. Thickened high foam clings to fixtures and vertical surfaces for improved cleaning action. Dilute for added economy. For use in showers, restrooms, on A/C fins, bowls, urinals, sinks, fixtures, and drinking fountains. Use on metal, fiberglass, grout, glass, ceramic, and porcelain. Use with spray, sponge, bucket/brush, or cloth.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Do not mix with ammonia or bleach. Wear appropriate PPE.

1. Dilute solution (if needed) and apply with trigger spray foamer or sponge to surface.
2. Allow contact time to loosen soils then scrub.
3. Rinse with clean water.
4. Repeat if necessary.

FAST FACTS
