

DIRTY HANDS DESERVE BETTER - TRY SOLOPOL® GFX™ TODAY!

# Solopol® GFX™

**CLEANS BETTER.  
FEELS BETTER.  
SAVES MONEY.**

**Solopol® GFX™ is the world's only heavy duty foaming hand cleaner with scrubbers suspended in the foam!**

**Cleans Better**

The **Solopol® GFX™** dispenser gives 2.8 mil per pump, but the output is actually 15 mil of foam. A typical hand cleaner dispenser gives 2 to 4 mil of hand cleaner. Employees will pump 2 to 4 times to get the coverage they need.

With **Solopol® GFX™** this will not happen because the coverage is much better!

The dispenser handle is harder to push, discouraging the 'rapid multiple pumps'.

**Saves Money**

You get 42% more hand washes per liter of **Solopol® GFX™**.

**Environmentally Responsible**

**Solopol® GFX™** contains all-natural biodegradable corn meal & olive pit scrubbers. This allows the hand cleaner to easily rinse down the drain & will not collect in the bottom of Bradley Sinks.
