

No More Dispensers

Never install another dispenser

With the innovative foamyIQ® dispensing cartridge, dispensing is done directly from the cartridge.

Never repair another dispenser

With foamyIQ, there are no parts to replace, nothing to repair, and no downtime for maintenance.

Never run out of soap

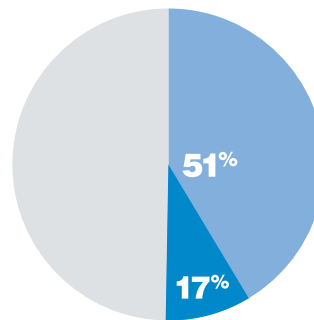

Through the foamyIQ dispensing cartridge, it's easy to see the soap levels, so you can simply replace the cartridge when the time is right.

Never stock another dispenser

foamyIQ eliminates the hassle and cost of storing replacement dispensers.

Never deal with a hand hygiene dispenser complaint again!

A recent study shows restrooms receive more than half of the cleaning complaints in a facility. The most common restroom complaints are related to dispensers, with 17% resulting from broken or empty hand hygiene dispensers.

FACILITY COMPLAINTS

- All restroom complaints
- Broken or empty hand hygiene dispensers

According to the CDC and the WHO, many infections are preventable through proper prevention measures. In fact, many studies have shown a large percentage of infections come from improper hand hygiene.

Hand washing is your first line of defense against the spread of infectious disease.

It's as simple as:

Attach

With a simple click, the fresh foamyIQ dispensing cartridge is locked into place and ready to use

Deplete

The translucent dispensing cartridge provides a clear view that lets you know when it's time to replace the cartridge.

Repeat

When the foamyIQ dispensing cartridge is empty, simply unlock and recycle it, then easily replace it with a fresh one.

Sustainable

Recyclable and made from 25% post-consumer recycled material.

Anti-Theft

Smartly designed with a secure, integrated locking mechanism.

Narrow Footprint

The slim design will fit where many traditional dispensers won't.

It's all here

foamyiQ is available in a variety of formulas to meet your hand hygiene program needs.

foamyiQ® Citrus Fresh Foaming Handwash

A smart choice for LEED buildings or green cleaning programs. It is formulated with ingredients made from renewable resources and features a refreshing citrus fragrance. Can be used as a hand, hair, and body wash.

pH: 5.5 – 6.5
1250ml x 4
#460800

foamyiQ® Cranberry Ice® Foaming Handwash

Formulated to leave skin feeling softer, smoother and silky, it features a tangy-cranberry fragrance and does not contain ingredients that contribute to dry skin. Can be used as a hand, hair, and body wash.

pH: 5.5 – 6.5
1250ml x 4
